[This is where senators should be prepared to ask questions of our guest speaker. They have taken time out to reach out to us and want to hear from you. Having no questions or comments shows that we have no feedback to provide. That is seldom the case!]

The best way to prepare is to 1) reach out to your constituents: Ask, “What would you want to say to the Director of CHS.” 2) Do some research: Not a lot, but poke around the website and make sure you know a thing or two. 3) Listen actively: If you aren’t actively listening to the guest speaker, are you best serving the student body?]
